

ABN AMRO Investment Solutions strengthens its sales team with the appointment of Arthur David-Boyot in charge of Retail and Institutional Investor Relations in France

Paris, June 2, 2022 - ABN AMRO Investment Solutions, the asset management company of ABN AMRO Bank N.V., continues its expansion strategy and announces the appointment of Arthur David-Boyot as Head of Distribution & Institutional Investor Relations France. He joins a team of 14 people reporting to Bob Hendriks, Chief Commercial Officer.

Arthur is based in Paris and his mission includes, among other things, the promotion of the UCITS funds range subadvised by pure players of the industry through exclusive partnerships. This range is available in Europe.

Bob Hendriks, Chief Commercial Officer of ABN AMRO Investment Solutions, says *“ABN AMRO Investment Solutions is deploying an ambitious development strategy since 2019, which includes expanding our external client base. This new position reflects our will to reinforce our presence in the French market and to diversify our clients by strengthening the institutional and wealth segment. We are delighted to welcome Arthur: his rich and diverse experience will be a major asset in achieving our inflows objectives”*.

Arthur has 17 years of experience in business development of investment solutions in both investment banking and asset management. He started his career in 2005 at Société Générale Corporate and Investment Banking as Structured Products Marketer. He was then in charge of relations with major retail networks for this asset class. In 2013, he joined La Française Investment Solutions (LFIS) department within La Française Group, where he implemented and marketed structured products for the Retail / Distribution segment. In 2016, he took over responsibility for the business development in France of LFIS funds range (Absolute Return, Diversified Management, Quantitative ESG Management) for the Retail segment. Before joining ABN AMRO Investment Solutions, Arthur was Sales Director - Distribution (France) at LFIS Capital.

He holds a Master 2 in Finance from IAE Paris - Sorbonne and a Bachelor in Business Administration from ESSEC Business School.
